SEASONAL TOURING

Are you getting the most from your tourer?

Does your tourer spend most weekends on the drive unused?

If the answer to either of these questions is 'yes', then a seasonal pitch could be just the solution.

We offer touring pitches for the whole season from mid March to mid November or Part season which is mid March to end of September. A payment scheme is offered which entitles you to the permanent siting of your tourer at Home farm, as well as the use of a chargeable electric hook-up and awning during your stay. In addition, you will still be able to use your caravan for holidays elsewhere, secure in the knowledge that your pitch will be vacant and available for immediate use upon your return.

- Seasonal pitches are available from March 2027 – November 2027
- Fantastic entertainment
- Free showers
- 16 amp electric supply available in Yellow* and Blue Park*

* Please note electric is on a pre payment card.
