

1<sup>st</sup> June 2020

Due to the current Covid-19 Corona Virus all of our 2020 entertainment program has be put on hold and under review.

The reason for this is due to expected social distancing within the Nite Owl complex, once we have been given guidance on how to reopen with capacity numbers all entertainment will be updated due to numbers of people on park and within the venue.

We are very sorry for this and hope to have a full program in the near future.
